

VETS - COFFS HARBOUR

Hi to all vets hockey players. I know we aren't playing at the moment - until Saturday 20th March that is - but we need to think about vets as it won't be long and I'll have to be submitting our team nomination forms along with the \$440 entry fee per team. You can appreciate why we really do need to have our facts and figures right!

Carnival dates: Friday 23rd July - Sunday 25th July.

It is only half state this year so games will start on Friday afternoon sometime and finish on Sunday afternoon.

Accommodation:

We are booked into the Pacific Towers Apartments at Coffs Harbour for the Friday and Saturday nights. It is getting pretty close to the time where I have to confirm the booking with numbers - ie will there be 2 or 3 teams this year. This is the main concern at this stage.

Travel: Links Buslines (the new name for Miller's Coaches with the new owners) have been booked for the trip.

WHAT WE NEED FROM ALL PLAYERS INTENDING ON GOING TO VETS THIS YEAR

The nomination form on the back of this newsletter completed and returned to me a.s.a.p. along with \$50 non refundable deposit. We need some definite numbers to work on NOW! ie - will we be nominating two or three teams.

Once we know how many are going we can also work on our costing.

All nominations and money to Joan Hart by 30th April

I would really appreciate even an email with your intentions by 22nd March as I will be away for most of April.

Age Groups

To play at the State Championship level, players must be Over 35 as at 31 December in the year of the Championship and they must be over the divisional age to play in the Over 40s, Over 45s or Over 50s. i.e. They are also going to try to run an O55's this year.

Players turning 35yrs this year (born 1975) are eligible to play vets.

Selection Trials for State Teams

Those players wishing to trial for selection into State teams must be aware that selections trials for all state teams will be held on the weekend immediately after the State Championships - ie, 31st July / 1st August.

The National Championships will be held in ACT from 1-9 October.

Please complete information sheet ON BACK OF PAGE and return with your \$50 deposit.

This is essential as only those who complete the sheet and pay their deposit will be considered as definite players. Please ensure everyone knows this as every year working on team numbers and submitting our nomination by the due date is a nightmare.

See me at hockey,
