Our tent: For our virgin vets, we are famous for our tent of goodies. We are so organised! Max is at the back of the tent with his physio table - (massage is just great even if you don't have any injuries) and at the front of the tent we set up a table with an urn and heaps of goodies. Everyone brings a container of slices, biscuits, cheese/dips, crackers, fruits. People also contribute coffee, teabags, sugar and milk. From this communal table, we graze all day - both days. The host association does of course have a canteen, for more substantial foods, but for the coffee breaks etc. it is great.

What you also need to bring is your own coffee or travel mug- *with your name on it.*

Oh, you also need to bring a fold up chair - *with your name on it* - for sitting about and having your coffee!

First Aid and Physio: Max Ostermann is once again looking forward to coming away with us - I only have to get him there, work commitments and all.

**DON'T FORGET TRAINING ON SUNDAY**

See you at hockey,

Joan
